

Advanced Science & Engineering

Week 4 and 5

Look through this resource: <https://www.weareteachers.com/outdoor-science/>

For week 4 – choose any 2 activities to complete. Send me a picture, video or written description of which two activities you did.

For week 5 – choose 2 *different* activities to do and send me something that shows or explains what you did.

Have a great summer! I hope to hear about the great things you accomplish in the future.
